Creating Profiles

Music Festival Suite

Creating Profiles

Teacher creates their profile

Then creates a profile for a Group Entrant like a Choir or Band that links to their Teacher Profile.

The "Contact Person" for the Group Entrant is sometimes a Secretary, Principal or Administrator

A Group Entrant Profile is created for each group with a unique name.

School Groups	Community Music Societies (with multiple groups)	Community Group
Set up a Teacher Profile for the Principal	Set up a Teacher Profile for an Administrator or Executive Assistant	Set up a Teacher Profile for the Director of the Group
Set up a Group Entrant Profile with the Teacher as the Contact Person	Set up a Group Entrant Profile with the Director as the Contact Person	Set up a Group Entrant Profile with the Secretary or Concertmaster as the Contact Person

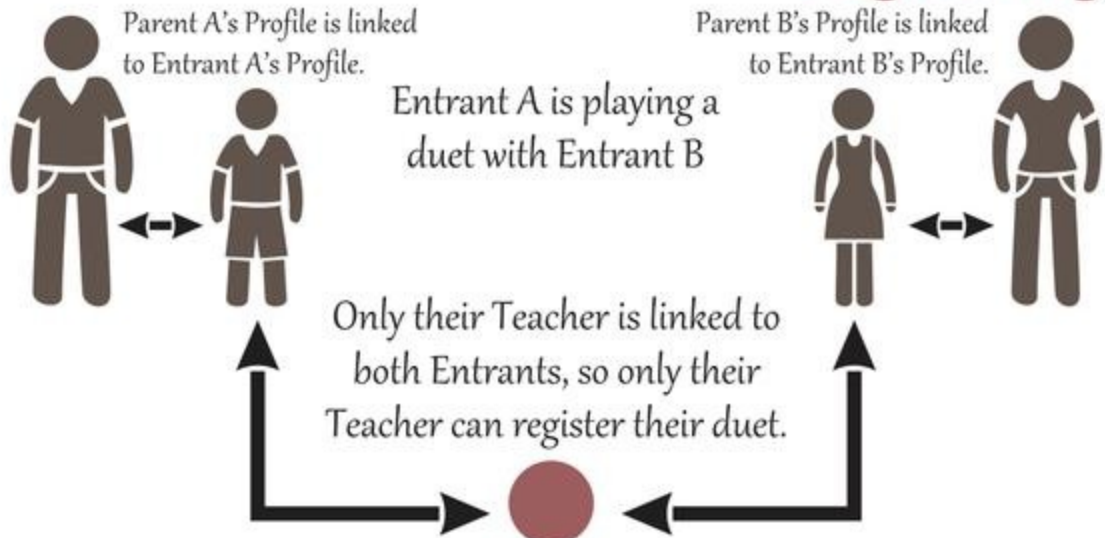

Use Teacher and Group Entrant Profiles in clever ways. Learn more on our website!

Music Festival Suite

Registering

Entrant Profiles linked with Parent Profiles help us meet provincial and federal privacy requirements, as well as provide parental consent for youth to participate in festivals.

Teachers are most familiar with the provincial syllabus and the local festival syllabus.

For more information and fuller instructions, visit www.musicfestivalsuite.com

More Details at <http://www.musicfestivalsuite.com>

Registering

Either an Entrant can register or a linked Teacher or Parent can register the Entrant.

Refer to the AMFA Syllabus and your local festival syllabus to choose the right class for your Entrant

Syllabus

When every registration is entered, pay the invoice using PayPal.

what U tipe iz wut getz printed.

If you have an Accompanist, enter their ID.

Spell the Composer's name, the Arranger's name, the Opus and Title the way it should appear in the Festival Schedule.

Enter the length of the piece(s) in seconds, not minutes.

Full registration instructions available at www.musicfestivalsuite.com.
